

Do you work with Seafood? Either processing, selling or cooking it? Or in education?

We can help you!

The Dorset and East Devon FLAG can help you to apply for funding for a range of projects that:

- 🗳️ Get people across different **seafood sectors working together**
- 🗳️ Support the **seafood industry** with **training**
- 🗳️ **Increase** demand for **sustainable local seafood**
- 🗳️ Raise **public awareness** of seafood
- 🗳️ Provide **seafood preparation** and **cookery classes**

The FLAG team are here to help you develop your ideas **free of charge** into a project and apply for funding. We will help you complete the paperwork and guide you through the funding process. Check overleaf for what could be funded.

Marine
Management
Organisation

Projects can obtain 50–80% match funding

More details can be found at: www.dorsetforyou.gov.uk/FLAG

What can be applied for:

- 🕒 Apprenticeships
- 🕒 Equipment for processing seafood
- 🕒 Processing of fishery or aquaculture products
- 🕒 Education and awareness raising campaigns
- 🕒 Equipment for holding live seafood before sale to market
- 🕒 Training relevant to role – i.e. food safety for food handlers
- 🕒 Promote use of sustainable fish & seafood in the local economy

Be quick!

The deadline to apply for funding is March 2019 but the sooner you apply the better.
